Northside Center for Child Development Day School

In case of a snow/emergency day, we will be following the guidance from the NYSED 2020-2021 School Year Covid-19 Snow Day Pilot Program which allows our program to pivot to remote instruction to provide continuity of instruction on what would otherwise be a day of school closure due to a snow emergency. This guidance allows switching from our in-person hybrid model to fully remote due to inclement weather.

Thank you,

Carolina-Laise Chong  
Director of Special Education Services

Northside Center for Child Development Day School

En caso de un día de nieve / emergencia, seguiremos la guía del Programa piloto de día de nieve Covid-19 del año escolar 2020-2021 de NYSED que permite que nuestro programa cambie a instrucción remota para brindar continuidad de instrucción en lo que de otro modo sería un día de cierre de la escuela debido a una emergencia de nieve. Esta guía permite cambiar de nuestro modelo híbrido en persona a completamente remoto debido a las inclemencias del tiempo.

Gracias,

Carolina-Laise Chong
